

David Nutt

David John Nutt (born 16 April 1951) is a British psychiatrist and neuropharmacologist specialising in the research of drugs that affect the brain and conditions such as addiction, anxiety and sleep.

He was until 2009 a professor at the University of Bristol heading their Psychopharmacology Unit. Since then he has been the Edmond J Safra chair in Neuropsychopharmacology at Imperial College in London.

Nutt was a member of the Committee on Safety of Medicines, and was President of the European College of Neuropsychopharmacology. His book "Drugs Without the Hot Air" (UIT press) won the Transmission Prize for Communicating Science in 2014.
